TOGETHER WE CHASE THE LIGHT

携手聚力，向光而行

尊敬的会员们：
Dear Shenzhen Bay Club Members,

岁月不居，时光如流，弹指间在您的信任与支持下，深湾会已砥砺前行六载。秉持着我们“质感生活，知乐人生”的理念，立足于湾区，与极具城市影响力的精英领袖们相伴同行。

How fast time flies! Six years have gone by in a blink, and Shenzhen Bay Club has forged ahead on this journey with your trust and support. By pursuing our concept of "club life leading to wellness", we have found a foothold in the Greater Bay Area and grown together with the region's leaders and elites.

目前，深湾会已荣聚了700余位来自科技、金融、艺术、教育、学术等不同领域的执牛耳者，他们与城共长，无时无刻都在聚变、引领着时代的思想力和创造力；他们心系未来，以梦为马，激荡着精神光芒，辉映彼此，照耀城市。

Shenzhen Bay Club currently boasts over 700 Members who are leading figures in the fields of technology, finance, art, education, and academics. They grow together with the city, constantly making breakthroughs and standing at the forefront of creative thinking in this era. Their vision and aspirations for the future give them their spiritual power, a beacon that casts light on each other and on the city.

我认为生命的光芒在于不懈的创造与奉献，鹏瑞集团潜心磨砺十年，筑就了深圳湾1号，而在缔造了这座城市臻藏的艺术品之后，发现城市升级的未来结构需求正在逐步转变，在城市高质量发展与美好生活创造的使命感召下，2017年，我下定决心投身于城市发展领域，希望通过一座座城市标杆建筑作品，引领中国城市发展向世界级城市演进。我始终相信专注、热爱、坚守的付出必将会收获丰硕的人生，这也是我在深湾会会员身上看到的卓越品质。

It is my belief that our life is defined by continuous creation and contribution. PARKLAND Group worked diligently for a decade to build One Shenzhen Bay, and after creating an art piece for the city we found that the city's needs for further improvement and structural change were evolving. Called by the duty to contribute to the city's high quality development and build a beautiful life for it, in 2017 I decided to participate in the city's urban development. I hope to guide international-metropolis-centered urban development in China through landmark buildings. I have always believed that commitment, passion and perseverance will lead to a more fulfilling life, and I have found these excellent characteristics to be common among Shenzhen Bay Club Members.

改革开放四十年，中国创造了巨大的财富，也成就了一代英雄。我们都是这个时代的幸运儿，在时代的成全下，付出的努力都获得了美好的回报。我们的会员已经完成中国共同富裕道路中“先富起来”的第一阶段任务，而往后更肩负着“达则兼济天下”之己任。从迈瑞医疗到发起鹏瑞公益基金会，助力科技创新、城市美好、乡村振兴、教育事业等，鹏瑞一直在尽己之力，以高远之情怀与务实之精神回馈着社会。此间，我们更希望能汇聚深湾会的精英们，与我们至善同行，勇担责任，将我们的理念、眼界、经验和精神传承给下一代，让勇气与智慧生生不息。

40 years of reform and opening up have generated great wealth in China and created a generation of heroes. We are all the fortunate ones of the era, and the prosperity of the times has enabled our hard work to pay off. Our Members have completed the first phase of China's path to achieving common prosperity - the task of "becoming well-off first". Now, they bear the responsibility of "sharing the benefits of success with others". From investing in Mindray and founding the PARKLAND Foundation, to supporting technological innovation, the Beautiful City program, rural revitalization, and education initiatives, PARKLAND Group has taken its duties seriously, giving back to society with a noble and pragmatic spirit. In the meantime, we hope to gather the elites of Shenzhen Bay Club to join us in our effort to create a better tomorrow, shoulder our responsibilities, and pass on our vision, mindset, experiences and spirit to the next generation so that they will become brave and wise trail blazers.

百年未有之大变局，百年未有的大机遇。这时代，正是中国发展的好时机，更为中国新一代青年人开设了一方精彩的舞台。时值深湾会六周年之际，我们成立了菁领会，希望凝聚时代青年精英力量，与700余位时代具有影响力的人物一起进阶未来，这个青年聚集的分会是应势而为，更是责任所驱，希望能带来更精彩的智慧火花和更华美的美好乐章。

We are now faced with greater changes and opportunities than any time in the past century. This era will provide great opportunities for development in China and create a wonderful platform for the next generation of Chinese to pursue their dreams. As Shenzhen Bay Club celebrated its sixth anniversary, we have founded the Shenzhen Bay Youth Leader Club in a bid to gather the elites of the younger generation to build a better future with over 700 influential figures of our era. The youth leaders club came into existence as circumstances required and as our sense of responsibility drove us to do so. We hope it will generate greater wisdom and contribute more to our nation's rejuvenation.

六年来，深湾会在各位会员的陪伴和参与下，在无畏的魄力中铿锵前行、在爱与担当中坚韧守候，我们一起仰望星空，又一起俯察大地，共享、共担着时代的美好与使命。

For six years, Shenzhen Bay Club has grown together with its Members. We have made courageous strides and persevered in our efforts with a spirit of love and duty. We gaze into the starry night and across the vast landscape, sharing in our joy, living in happiness and shouldering our responsibilities together.

相逢有时，感念有时，薪火相传，未来可期，愿我们携手聚力，向光而行。

We appreciate our encounter and remember all the goodness of the times with gratitude. Our aspirations will be passed down to the next generation to help create a better future. Let's work together to chase the light and pursue our dreams.

THE LIGHT OF LIFE

生命的光曜

圣尼古斯丁写道：“太阳与月亮，所有自然界的奇迹，皆非上帝的‘初作’，而是精神上的二次创造。”是自然万物的美，唤醒了人类精神的光。一直以来，人们用丰盈的精神思想赋予了太阳温暖的能量和月亮圣洁的象征。而生命的光曜，因精神的光芒而更加璀璨，它向四处发散，像处于众多星球之间的太阳，用光与热包围着生命，赋予源源不断的能量。

St. Augustine once wrote that “the sun and the moon, all the wonders of nature, are not God's first works but second to spiritual works.” It is the beauty of nature that awakens the light of the human spirit. For a long time, people have endowed the sun with warm energy and the moon with the symbol of holiness. As for the light of our life, it is brighter because of our spiritual strength. It spreads out like the sun among the stars, enveloping life with light and heat, giving it an endless supply of energy.

步履六载，砥砺铿锵，深湾会何以汇聚一湾星辰？是一些人，吸引着一些人，一种精神影响一种精神，一个理想激荡一个理想，一束光点燃一束光。正如深湾会每一期的《大咖说》，每一次的智思同行承载了思想的裂变更新，每一场艺术探索的旅程都在踏向对生命的更深解读，每一次与志同道合的朋友交流都在遇见生命最纯粹的美好，而每一次为社会践行公益的举动，都是以自身持有的价值和理想，聚变出更深层次的精神使命和未来。深湾会的每一位会员，汇聚成浩瀚宇宙的一湾星辰，传递着深圳这座城市的精神之美。

The six-year journey of Shenzhen Bay Club is full of hurdles to overcome. And how did the club attract so many bay pioneers? It is some people attract some people, a spirit affects a spirit, an ideal inspires an ideal, a beam of light ignites a beam of light. Just as every episode of Shenzhen Bay Club's Master's Class, every step made by

the club out of insight renewed its guiding ideas. Every journey of artistic exploration leads to a deeper understanding of life. Every encounter with like-minded friends is a most beautiful life experience. And every public welfare undertaking is to inspire missions with a deeper layer of spiritual commitment and a future path for the club with its own values and aspirations. Every Member of Shenzhen Bay Club constitutes a shining star above the bay, sharing the beauty of Shenzhen with others.

精神的光芒随着时间的酿就愈发隽永，生命的光曜也因为爱的传递愈发弥坚。慈善公益事业是人类文明社会的情感基层，拥有向上的无尽力量。爱的能量贯穿于深湾会的内外，存在于始终，深湾会会员及会员企业也一直积极投身于公益事业中，尤其是在新冠病毒疫情爆发之后，深湾会会员们积极响应鹏瑞公益基金会的倡导，向大湾区疫情防控一线捐赠一批急需的防疫物资，以赤子之心为大湾区的战“疫”尽绵薄之力。于城市的精神高地点亮星光，向世界贫瘠之处带去温暖，一步一个脚印，刻写关于鹏瑞的名为“爱”的基因。

The spiritual strength is everlasting as it gains momentum during the journey, and the light of our life becomes more brilliant with the support of love. Charity and public welfare are the emotional base of human civilized society which contain endless upward power. The energy of love runs both inside and outside of the Shenzhen Bay Club. Our Members and their companies have also been actively engaged in public welfare business, especially since the COVID-19 outbreak. Shenzhen Bay Club Members are responsive to PARKLAND Foundation's initiatives, donating a large amount of epidemic prevention supplies to the front line of epidemic response in the GBA, which contributed to the COVID-19 fight in the GBA and showed their kindness. We light up the light above the urban spiritual highlands and spread love and care to the poverty-stricken areas in the world. We're making efforts to achieve the goal of “big love” of PARKLAND Group, one step at a time.

决定精神发展的永远是来自内心最强烈的内驱力，是对实现自我的要求，对实现理想的向往，最后，是对那些崇高理念的不懈追求。深湾会笃行六年，凝聚着一众星光，他们是一个时代的领航人，也是一个时代的践行者，他们用精神改变城市的信念，书写夜空的烂漫璀璨。岁月总是在一代人中挑选韧性而持之以恆笃定自己探索的创造者，像胡杨一样，站在自己认定的地方，用自己的方式正解时代的力量。用艺术解读内心，用科技推动进步，用公益描绘爱，用交流激发智慧，深湾会荟集光的能量，于时代风口，记录下每一帧伟大。深湾会·菁英会的成立，更是一次精神的传承与进阶，将会有更多未来领袖担当与700余位大湾区顶级圈层的精英翘楚聚于一湾之畔，瞻瞩时代潮涌。未来，生命的光芒会向更远延续。

Our spiritual development will always be powered by our extremely strong drive, a self-fulfillment aspiration, a yearning for realizing one's dream and an unremitting pursuit for those lofty ideals. The past six year enables Shenzhen Bay Club attracted a number of dream chasers who light up the sky at night. They are the leaders and practitioners of an era. They change the faith of the city with their spirit. Those stand out in challenging times are persistent self-exploration creators with great tenacity, standing their own position as a polar tree and interpreting the power of the times in their own way. Interpret the heart with art, promote progress with science and technology, depict love with public welfare, and inspire wisdom with communication. Shenzhen Bay Club gathers the energy of light to record every moment of greatness in the cusp of The Times. The founding of Shenzhen Bay Youth Leader Club suggests the spirit passing on to the next generation with greater significance. More future leaders and over 700 GBA industrial pioneers and elites will gather at the bay with a trailblazing vision. In the future, the light of our life will illuminate farther places.

专访深湾会会员 曲非女士

An Interview with Shenzhen Bay Club Member

如何用语言形容体育运动？汗水、拼搏、毅力、掌声 有人把体育看作是一种单纯的执着，执着于突破精神意志，衍生出身体强大的力量。而对于曲非来说，在二十多年的运动生涯里延续这一份执着的，还有那单纯的热爱，这些东西陪伴自己一路创造成绩、坚持梦想，诠释着生命的无限光彩。

How do we define competitive sports? It demands you to work out in sweat and keep going day in and day out, but it could also bring you all the applause after you become a star. Some think competitive sports is a simple form of perseverance to temper your will and create the great strength that's in you. However, what made Qu Fei succeed in her sport career over 20 years is not only perseverance, but also a passion for the sport. They supported her to make great achievements, keep pursuing her dream and living up to expectations.

结缘高尔夫：从偶然到热爱

AN ACCIDENTAL ENCOUNTER WITH
GOLF TURNS INTO A PASSION

道生一，一生二，二生三，三生万物 老子《道德经》中第四十二章告知世人，天地之间万事万物都源于同一个起点，自然也有着千丝万缕的联系。时间回到 1998 年，挥别了速滑和拳击后的曲非，又开启了新一轮的运动生涯——高尔夫球，在短时间内斩获多项荣誉后，她开始再往前追溯，这一路的成长与收获，每一段都是环环相扣的过程。

Tao produces one (universe). One produced two (of YIN and YANG). Two produced three (of Heaven, Earth and Man). Then varied and are borne the universe of all things. We learn from the forty-second Chapter of Tao Te Ching written by Lao Tzu that all things in our universe originate from the same thing and everything in nature is interconnected. In 1998 Qu Fei bid farewell to the days of speed skating and boxing as her sport career started a new chapter: golf. After winning many honors in a short period of time, she began to think about the past and found out that, actually, the growth and harvest along the way were linked with each other.

“对我来说，打高尔夫球就如同选择一个职业，一开始根本谈不上热爱。”一个偶然的契机，曲非由身边的人推荐加

入高尔夫球运动。开启高尔夫之门的第二年，曲非便斩获一杆进洞世纪挑战赛冠军，并在第三年获得中国女子公开赛冠军，“我很快从 120 多杆打到 70 杆，才开始把高尔夫球运动当成事业来做。”

“For me, playing golf is like choosing a career, and it wasn't love at first.” A pure chance, Qu was recommended by someone close to her to play golf. After only a year of training, she won the Hone-in-one Challenge of the Century, and in the next year she earned her first China LPGA Tour win. “I improved my skills from completing the course with some 120+ strokes to 70 strokes quickly. And only by then I began to consider professional golf as my career.” said she.

惊喜的收获激起了曲非对高尔夫球的热爱，彼时还是业余球员的她，开始全身心投入到高尔夫球运动中。在阳光广阔的绿茵场上，曲非为自己制定了严格的训练计划——每天至少练习 500 颗球，从早到晚，风雨无阻，那几年时间里，曲非几乎没有休息的时间。

The surprise sparked Qu Fei's love for golf, and she began to devote herself to the game as an amateur. Qu set up a strict training routine on the shinny and wide course: get at least 500 golf balls in the hole a day. She practiced from dawn to dusk, rain or shine. She barely rested a day in those few years.

业余到职业：心态的转变

GOING FROM AMATEUR TO
PRO STATUS DEMANDS A
DIFFERENT MINDSET

从高强度的速滑和拳击运动到“绅士运动”高尔夫球，这个转变对于当时只有 22 岁的曲非来说适应得十分畅顺。凭着过去的运动系统训练，曲非建立了良好的体能基础，为高尔夫球做了强大的积累和铺垫，很快就从距离上收获出色成绩。2001 年 3 月，曲非在珠海国际高尔夫球会参加职业考试，顺利通过。

Leaving the athletically intensive sports of speed skating and boxing and embracing the “gentleman's sport” of golf was a smooth transition for the then 22-year-old Qu Fei. With the past systematic sports training, Qu Fei has established a good physical foundation which has made a strong accumulation and paving for golf. She was successful in hitting a long drive quickly. In March 2001 she passed the Chinese professional golf player certification examination at Zhuhai International Golf Club without a hitch.

成为一名职业高尔夫球员之后，曲非开始前往日本、美国、东南亚等世界各地参加比赛，然而随着身份的改变，心态上的压力也接踵而来。“业余的时候一切都非常顺利，可是当自己打了一段时间的职业赛，

成绩反差大得让人很懊恼。”在前一天成绩出色得成为全场瞩目焦点，继而第二天失误连连得成绩几乎排在末位，巨大的反差让曲非面临瓶颈期，除了训练技术的增强，她开始更关注自我心态的调整。“无论是什么运动，技术和心理的比重都各占百分之五十，无论是职业还是业余，心态都要保持淡然一些。”

After getting the pro status, Qu Fei began to compete in Japan, the US, Southeast Asia and other countries. But the transition from an amateur player to a professional one also gave her great stress. Qu pointed out, “Everything was just peachy when I played as an amateur golfer, but when I competed in several golf tours as a professional player, my performance was not getting better, instead it’s getting much worse and it really frustrated me.” She could become the player of the match for her top performance one day, and the very next day she almost got the wooden spoon for one turnover after another. She was getting up and down and going through a bottleneck period. In addition to the enhancement of training techniques, she began to pay more attention to the adjustment of mentality. "No matter what sport, the proportion of technic and psychology are 50 percent each, whether professional or amateur, the mentality should be kept cool."

天赋的背后：执着与付出

COMMITMENT AND HARD WORK SUPPORT HER TALENT

一直以来，“很有天赋”是最多人对曲非的评价，但在她的世界里，拼搏与坚守才是天赋的本质。曲非回想起最初加入速滑的时候——由于当年的条件有限，学校里的冰刀没有经过开刃和磨刀等处理，人穿上以后总是容易在冰场上摔倒，凭着一股子韧劲的曲非却仍然坚持了下来，摔一百个跟头，再站起来一百次，每天放学徘徊在滑冰场上。直到某天，同学带来了完整处理后的冰鞋，曲非一穿上便飞快地掌握了滑冰的动作要领，就这样成为了他人口中的“运动天赋”。

For a long time, "very talented" is the most popular evaluation of Qu Fei, but in her world, hard work and perseverance are the essence of talent. When Qu Fei began to practice speed skating, due to the financial difficulties, the ice skate blades in the school were not sharpened and the students often tripped on the ice rink after wearing those ice skates. But she soldiered on with perseverance, keeping skating on the ice rink after school, always getting up after falling to the ground. Then one day her classmate brought her a pair of skates with sharpened blades and she immediately got the hang of skating after wearing them. Other people thought this was her “sports gift”.

“没有人规定你每天的训练量，但我认为必须要打这么多球，动作才会真正属于自己、完全被自己控制。”偌大的果岭，细小的球洞，高尔夫虽然强度不大，却是一项非常考验距离感的运动，如何能够顺利入球，靠的是运动员控制方向的能力。“只能通过无数次的练习，形成自己特定的肌肉感觉。高尔夫球不是用眼睛去看方向的，而是当球杆触到球的那一瞬间，你的内心就知道这个球会去向左边还是右边，其实除了天赋，成功的前提是非常勤奋。”

"No one dictates how much you're going to practice every day, but I think you have to hit that many balls to make the action really be your own and completely in control." Hitting a golf ball into the small circular hole below the surface of the wide putting green is not an athletically intensive sport, but one challenging a golfer's sense of distance. A player's ability to control the direction of the golf ball is key to get it in the hole."I can only develop my own specific muscle sensation through countless exercises. Golf is not about seeing the direction with your eyes. When the club touches the ball, you know in your heart whether the ball will go left or right. In fact, in addition to talent, success is based on hard work.

运动与生活：交融于美好

THE BALANCE BETWEEN LIFE AND SPORT

“现在运动的性质不一样了，更多是本着锻炼身体。”夏季游泳、冬日滑雪、日常便打打高尔夫球，如今的曲非在一年四季都为自己安排了不同的运动项目。“对于家庭和社会，我们每个人都承担着很多责任，但无论是生活还是事业，没有强壮的体魄如何成事？人若是不运动，精气神都不足，因此我觉得每个人都要保持一定量的运动。”

"Now I exercise for a different reason -- having a good workout." said she. Qu now swim in summer and ski in winter while finding opportunities to hit the golf course. Nowadays she does all sorts of exercises in a year."Each of us has many responsibilities for our family and society, but how can we succeed without a strong body in life and career? If you don't exercise, you don't have enough energy, so I think everyone needs to maintain a certain amount of exercise."

从体育场上载誉归来，曲非更将自己的热爱延伸到生活中，把自己的住处落脚在高尔夫球场里，每日眺望着果岭与发球台开启新的一天，是她一直以来的梦想。“年轻的时候，我就想着退休的时候要这样生活。”

After winning high praise in the tournaments, Qu Fei found her new passion for life. Now she lives in a residential area of a golf club. Starting a new day by looking far into the green and tee has always been her dream. “I thought about my retirement and living like this when I was young.” said she.

对运动有着无限热爱，生活中的曲非，也是一位名副其实的“美食家”。因为美食的吸引，曲非加入了深湾会，大家总能在中西餐厅或健身房看见她的身影。“除了可以随时随地品尝到各式料理，我还发现了深湾跑团、深湾会美食会中会还有深湾会高尔夫球会等不同会中会，他们组织的活动让人感觉非常丰富而放松，很希望自己能够参与其中！”从事高尔夫球二十几年直到现在，曲非在过程中结识到不同层次的人，她期待更多深湾会会员能够接触到高尔夫球运动，共同在运动中感受人生的畅快。

Apart from her enthusiasm for sports, Qu Fei also has a deep affection for food and she is a truly “gourmet”. Because of the attraction of food, Qu Fei joined the Shenzhen Bay Club, we can always see her in the Chinese and Western restaurant or gym. "In addition to tasting all kinds of food anytime and anywhere, I also found there are Shenzhen Bay Running Club, Shenzhen Bay Delicacy Club and Shenzhen Bay Golf Club. The activities organized by them make people feel very contented and

relaxed, and I hope I can participate!" She has met various kinds of people during her golf career over 20 years, and now she is looking forward to introduce the sport to more Shenzhen Bay Club Members so they can have fun from playing golf together.

一呼一吸，是生命存有的印记；向上进取，是让生命绽放的路径。一路拼搏与成长、坚守与付出，曲非在运动中不断追求着新生活 and 目标，步履不停地向前奔走，人生的赛场上，正有更多精彩等待探索。

Every breath we take is a unique life imprint; striving forward is how to live it to the full. Qu Fei kept working hard and making progress as an athlete to continuously achieve her goals in life. Now she has moved on with her life and there will be more exciting life experiences await.

A LIFE JOURNEY FOR HEALTHY DIET

寻味之行，方知人生

专访深湾会会员 魏强先生

Mr. Wei Qiang

An interview with Shenzhen Bay Club Member

知一粟一谷，然后知人生百态。美食作为人们生存的媒介，为生活增添着各种滋味和温暖。除了味蕾的极致体验，探索美食的背后，承载着对生活的热爱与生命的美好意义。早已在事业上参与过无数高光时刻，却转身在临近退休的年龄开启了人生中的第二次创业，魏强把自身的经历投进了全新的领域——数字饮食。

Understanding the grain prepares you to understand the vicissitudes of life. Apart from being essential to our survival, food also gives us a tasty and colorful life. Besides having the extreme tasting experience, we should explore the secrets of food, which is a passion for life and a meaning of living. Wei had had numerous milestones in his career, but he started his second business at an age close to retirement and put all his expertise to a brand new field: digital diet.

数字化饮食： 从自身获益到推己及人

DIGITAL DIET: FROM OBTAINING
BENEFITS TO CONSIDERING OTHERS

2017 年，彼时还是阿里国际事业部副总裁的魏强，身体不断发出警告信号，在亲身经历过两次紧急情况之后，他退出了原有的工作，到国外进行系统化健康管理。精准到以克为单位的食物、碳水与蛋白质的比例、每日盐油摄入的标准 魏强的一日三餐被标记上不同的数字，每一顿都与身体最需要的营养相匹配。严苛的饮食优化与健身训练，不仅让魏强恢复到健康的状态，更令他深刻的是，这一套数字饮食方法，全面颠覆了他对饮食健康的认知。

In 2017, Wei had one health condition after another while working as the vice president of Alibaba International Department. After being in a critical condition twice, he quit his job and took systematic health management courses abroad. There he learned weighting food in grams, the proper ratio between carbohydrate and protein, the standards of daily intake of salt and oil and so on. The three meals he took every day were labeled with numbers and each of them provided the necessary nutrition his body needed. The strict diet optimization and fitness training has not only restored Wei Qiang to a healthy state, but what impressed him more is that the digital diet method has completely changed his recognition of healthy food.

这一次，魏强也有了新的领悟：真正的健康，实际上是朴素的。对比其他保健品及营养补充方法，魏强开始更关注日常饮食。在他看来，营养摄入是身体所需的基础，饮食看似最简单，却也是最重要的。当一个人无法遵从与之匹配的饮食规则，就会日积月累地对身体产生巨大影响，而数字化饮食的方式，正解决了人体合理摄入的问题。作为数字化饮食的尝鲜者，魏强下定决心要投身到这个领域，让更多人了解健康科学和食物营养结构的知识。

Those courses also made him have an aha moment: the idea of staying healthy is simple. Wei began to pay more attention to diet than other health care products and supplements. In his opinion, nutrition is the basis of the body's needs, and the diet seems to be the simplest, but the most important part. When a person fails to follow a diet that matches them, the cumulative effect on the body is enormous. However, the digital diet method solves the problem of improper nutrient intake. As an early adaptor of digital diet, he decided to make this his second career and help more people understand health sciences and nutritional profile of diet.

初衷与担当： 健康是第一责任

FIRST ASPIRATION AND
COMMITMENT: HIS FIRST DUTY IS TO
PROTECT HIS AND OTHER'S HEALTH

“没有健康的体魄，不但无法为社会创造价值，更会造成他人与社会的压力，所有的梦想与贡献都无从谈起，保持生命健康就是第一责任。”投身到数字餐饮领域的另一原因，便是出于魏强对个人及社会责任的思考。

“Without a healthy body, not only may you lose the ability to create value for the society, but also will cause pressure on others and the society. All dreams and contributions will be out of the question. Therefore, to keep a healthy life is the first responsibility.” Another reason for Wei to start his digital diet business is his thinking of his personal and social responsibilities.

从过去的疾病缠身到如今的朝气蓬勃，在同龄人中脱颖而出的魏强观察到一个事实：如今大部分人的健康都处于欠佳状态，不少人缺乏对健康管理的时间、精力和意识，尽管每个人都想要追求健康，却没有准确的方式过上真正健康的生活。

After getting better from the hospital bed, Wei, a healthier person now comparing to his peers, has an observation that he is actually working in the healthcare industry. That is : nowadays most people are in poor

health, many people lack the time, energy and awareness of health management. Although everyone wants to pursue health, but there is no accurate way to live a truly healthy life.

“实际上，我是在做健康。”表面上从事餐饮行业的魏强，其实是在为健康建立基石。为人们提供合理的膳食建议，带领大家了解营养均衡的科学，是他认为应当为社会而创造的，“希望做一件对社会和国人影响最大的事情。”

Despite the fact that he is doing catering business on the surface, he lays foundation for the healthcare business. What he wants to contribute to the society is offering reasonable diet advises and guiding the public to learn the science behind nutritional balance. “I hope what I am doing can make the biggest positive impact on our society and compatriots.” said he.

寓教于“饭”： 合理膳食的科学

TEACH THROUGH “EATING”: THE SCIENCE OF A HEALTHY AND BALANCED DIET

在《“健康中国 2030”规划纲要》中，提到的第一个行动是“合理膳食”，但

这是一个概念，该如何落地？凭着对健康的追求和责任，魏强下定决心要将饮食做到极为精准。

The first project of The Outline of the Program for Health China 2030 is “healthy and balanced diet”, but how should we execute such an idea? Bearing in mind his vision and responsibilities in the healthcare industry, Wei decided to make meals with a precise balance of nutrition.

健康的定义标准不是单一的，而是立体、多维度的评估，因此对大部分人来说，饮食中最需要讲究的是营养均衡。为此，魏强创立维小饭，在中央厨房中建立了全中国第一个在厨房里的国家级理化实验室，将每一顿饭所包含的营养素——蛋白质、碳水化合物、糖分、脂肪等进行精准检测，并引入国家和 WHO 标准，最后定制出与个人身体情况及口味相匹配的套餐。

The definition of health is not a single standard, but a three-dimensional, multidimensional evaluation, so for most people, the most important thing to pay attention to in the diet is balanced nutrition. For that, he founded WeMeal+, established the first national level physical and chemical lab at the central kitchen to test the nutrients in a meal, including protein, carbohydrate, sugar and fat, to a precision level and introduced the national and WHO standards in order to make a customized set meal according to one's health conditions and preferences.

“基础的饮食往往才是帮助人们走向健康、减少国家社会负担的方法。大家都不了解饭菜里的营养，那么就由我来实现这一步。”除了将吃饭变成数据，魏强通过互联网与人们进行交互，每一次用餐，都是一次营养教育。当人们每天面对带有详细数据、营养成分比例的饮食，就如同有一位专属的“营养顾问”，为个人每日的摄入保持均衡，更可以从中学学习到关于健康管理的理论知识。

“A basic diet is often the way to help people move towards health and reduce the social burden on countries. People don't know what's in their food, so it's up to me to make it happen.” Besides building a digital system for meals, Wei also interacted with people through internet. Every meal is an opportunity for nutrition education. Every meal with detailed data and balanced nutrients is an exclusive “nutrition advisor” who ensures balanced intake of nutrients that a person needs in a day. We can also learn knowledge and information regarding health management from it.

培养新一代的“一万步” “THE TEN THOUSAND STEPS” FOR CULTIVATING A NEW GENERATION

天下大事，必作于细。从来没有接触烹饪的魏强，本着个人的情怀和经历，开辟了健康饮食的新道路，在深圳这座国家前沿城市起步，魏强对未来仍然有着无限的理想目标。

Great undertakings have small beginnings. Wei was new to the dining business, and he blazed a trail of healthy and balanced diet based on his vision and personal experience. With his dining business starting in Shenzhen, a frontier city in China, he has set up many objectives for his new career.

“要如同人们计算步数那样，我想让新一代养成饮食也要看数据的习惯，这将对整个社会有着巨大的影响。”除了为在饮食上帮助人们提升身体素质，魏强思考的是更深层次的问题，他把饮食与个人社会幸福感、食物浪费、自律意识等多个方面放在一起，“经济发展让人们的生活变得富裕，但过度挥霍会造成不必要的浪费，合理衡量才是可持续的前提。”不停升级换代、深化数据研究、与用户共建菜库，魏强表示未来的数字饮食将会更贴近国人的健康，令人们长此以往地提升生活品质。

“I want the new generation form a habit of checking the data when eating their meal like how they track their daily steps. This will affect greatly on our society.” Wei has pondered the problems in a deeper level besides helping people improving their physical fitness. He has made a plan involving diet, social well-being, food waste, self-discipline awareness and other factors. “Economic development makes people's life become rich, but excessive spending will cause unnecessary waste, reasonable measurement is the premise of sustainable development.” He has been keeping updating the systems and deepening the data research and building a database of dishes with the users. He pointed out that digital diet development in the future will align with people's physical fitness in a higher degree and help us improve our life quality in this way.

谈论到加入深湾会后所得到的感受，魏强如是说：“不是只有豪华的食材才能彰显生活的品质，相反是恰到好处的精神内核才是。”魏强把他与用户的关系形容为是健康的、负责的，就如同深湾会把优质而核心的服务交付于每一个会员，用心做事，在细节上彰显匠心。

When asked about his feeling after join Shenzhen Bay Club, Wei Qiang made this comment, “A quality life is not only reflected by luxury food, but also supported by a fitting spiritual strength.” He described his relationship with users as healthy and

responsible, just as Shenzhen Bay Club will deliver quality and core services to each Member. We devote ourselves to work and show our ingenuity and originality in details.

春种一粒粟，秋收万颗子。通过一蔬一食，魏强经营着自己的事业与人生，更践行着对健康的追求和责任，一颗种子埋在他的心中，正等待着未来成为社会和自我人生遮风避雨的参天大树。

Grow a seed in spring, and in autumn you will harvest ten thousand pieces of grain. Wei Qiang manages his own career and life, but also practices his pursuit and responsibility for health through every day eating. The digital diet idea he has developed is a seed grown in his heart, and it waits to become a towering tree that will benefit our society and us.

IN MY PRIME

风华正茂时

专访深湾会 · 菁领会荣誉会员 罗维女士

Ms. Luo Wei

An interview with Honorary Shenzhen Bay Youth Leader Club Memeber

“13 岁以专业第一成绩考入柯蒂斯音乐学院” “师从格拉夫曼” “著名钢琴家朗朗同门师妹” “吉莫尔杰出青年艺术家” 从照满聚光灯的舞台上走下来，藏在种种荣耀标签背后的，不过是一位 23 岁的少女。作为当下在国际琴坛活跃的优秀青年钢琴家，罗维在自己的音乐与人生征途上保持着独立而不惧的姿态。

“Admitted by Curtis Institute of Music with professional achievement ranked 1st at the age of 13”, “mentored by Gary Graffman”, “sharing the same major with Lang Lang and being junior to him ”Gilmore Young Artist”...all those honors have been received by the 23-year-old girl who often stands under the spotlight. As an outstanding young pianist active in the international arena, Luo Wei maintains an independent and fearless attitude in her music and life journey.

一个有声音的柜子

A CABINET WHICH MAKES SOUNDS

出生在文化氛围浓厚的家庭中，尽管家人都从事着与音乐没有直接关系的领域，但在罗维的记忆中，钢琴、二胡、舞剧等各种音乐旋律从小就萦绕在耳边。

She was born in a family of literati. Although her family members didn't opt for a career in music, Luo Wei became familiar with the piano pieces, erhu solos, musicals and other melodies as long as she can remember.

回想起初次与钢琴相遇的情形，罗维形容那是一个“高大的柜子”。幼儿园角落里，一架立式钢琴发出的旋律，瞬间深深吸引了当时的罗维。正是对一切都怀着极大好奇心的年龄，罗维回家之后总是向母亲提出，她想要那个“会发出声音的柜子”。5 岁那年的生日，罗维如愿得到了心中期待的礼物 —— 人生的第一架立式钢琴，就这样简单与直接，罗维从此开启了她与钢琴的奇妙旅程。

Luo said she thought piano was a “high cabinet” when she first encountered the music instrument. At that time she was captured by the melody from the upright piano in a corner of her kindergarten in an instant. At an age when she was curious about everything, she often told her mother after coming from the kindergarten that she would like to have a cabinet which makes sounds. On her fifth birthday, Luo Wei got the gift she was looking forward to -- the first upright piano in her life. It was so simple and direct that Luo Wei started her wonderful journey with piano.

琴坛的闪耀新星

THE PIANO WORLD'S RISING STAR

如一首轻快而流畅的钢琴曲，罗维的钢琴之路也显得别样畅顺。习琴仅仅一年半时间，成功在香港举办第一场独奏音乐会；10 岁时，以专业第一名的成绩考入上海音乐附小；11 岁获得波兰肖邦第十一届青少年国际钢琴比赛第一名，并在同年获得第二届德国拉赫玛尼诺夫青少年国际钢琴比赛第一名 在他人眼中的天赋与荣誉，在罗维看来则是不断激励自己的动能，“每一次获奖之后，内心的声音就会更加坚定响亮，告诉自己更要奋力站上更大、更远的国际舞台。”

As a brisk and smooth piano piece, Luo Wei's pursuit of pianist has gone well. After learning the instrument for only one year and a half, she had her first piano concerto in Hong Kong, China; at the age of 10 she was admitted by the Primary School Affiliated to Shanghai Conservatory of Music with professional achievement ranked 1st; she won the first-place prize at the 11th Chopin Youth Piano Competition when she was 11, and at the same year she finished first at the second Rachmaninoff Youth International Piano Competition in Germany..What others see as talent and honor, Luo Wei sees as the momentum that keeps motivating her. "After each award, my inner voice will be firmer and louder, telling me that I should strive to stand on a bigger and farther international stage."

著名科学家爱因斯坦曾说：“在天才和勤奋之间，我将毫不迟疑地选择后者。”在罗维学习钢琴的道路上，同样也照应

着这一句话，每天保持七至八小时的练习，她形容钢琴已经是自己生活中形影不离的存在。一切的天赋与灵感，都需要付出足够的汗水与努力，才能得以显现，反复地勤奋练习便是罗维认为能够将音乐表达得淋漓尽致的前奏。

The well-known scientist Albert Einstein once said," Between the genius and hard work, I did not hesitate to choose the latter." In the course of learning the piano, Luo also took this sentence into account. Keeping seven to eight hours of practice every day, she described that piano has been an inseparable presence in her life. All talents and inspirations need to pay enough sweat and effort to be revealed. Repeated diligent practice is the prelude to the incisive expression of music, according to Luo Wei.

生命的人生导师

LIFE COACH

谈及无数钢琴学子眼中的大神级人物 —— 加里·格拉夫曼，罗维的语气里满是敬佩与感激。作为享誉琴坛的钢琴演奏家，加里·格拉夫曼在年轻时期走遍世界，为人们带来无数场被称之为传奇的音乐会，自 1995 年担任柯蒂斯音乐学院院长后，更培养出许多国际上优秀的钢琴家，朗朗、王羽佳以及罗维等便是其中几位。

When talking about the god-like figure -- Gary Graffman -- for today's piano learners, Luo Wei has a deep admiration for and is thankful to him. As a world leading

pianist, Graffman travelled around the world when he was young and performed to an audience in countless legendary concertos. After chairing the Curtis Institute of Music in 1995, he has cultivated many internationally renowned pianists, such as Lang Lang, Wang Yujia and Luo Wei.

然而，影响罗维至深的，都不是这些家喻户晓的成就。“加里·格拉夫曼是一位非常鼓舞人心的老师，除了艺术方面，更给予了我很多人生上的启发。”在罗维的学习生涯里，加里·格拉夫曼在严格的音乐指导之外，更会关心学生的生活与素养，每位师出同门的学生，都有着自我独特鲜明的个性，“他会捕捉我们本身的特性，并鼓励它放到最大，这是最让我为之敬佩的事情。”罗维在美期间，同时也跟随罗伯特·麦克唐纳教授学习。

But what is most impressive to Luo Wei is not these well-known achievements. “Gary Graffman is a huge inspiration to his students. He enlightened me in arts, and more importantly, in life.” said she. During her study in the institute, Mr. Graffman was not only a strict music teacher, but also a mentor who cared about his students’ life and personal qualities, so everyone under his instruction could have a unique personality. “He would start by understanding our personal traits, and then encouraged us to maximize them to improve our artistic accomplishment. This is what I admire him

most.” commented by Luo. During her stay in the United States, Luo Wei also studied with professor Robert McDonald.

自我的音乐语言 HER UNIQUE MUSIC LANGUAGE

一首乐曲的呈现，本质上也是个人的呈现，寻找自我的音乐语言，几乎是每一位钢琴家都会经历的事情。摸索音乐语言的过程，罗维坚持“实践出真知”，长时间沉浸在琴房中、踏遍世界各地巡回演出、认真总结每一次训练与演奏 在一次又一次与自己的对话中，罗维不断向内探索，逐渐知道了自己想要成为怎样的音乐家，弹奏出自己的声音和语言。

The presentation of a piece of music is also a personal presentation in nature, and the search for a musical language of one’s own is something almost every pianist will experience. In the process of exploring musical language, Luo Wei insists on “practice brings knowledge”. She immerses himself in the piano room for a long time, travels around the world to perform, and get experience from every training and performance..... In conversations with Herself over and over again, Luo Wei explores inward, gradually figuring out what kind of musician she wants to be and how to play with her own voice and language.

2018 年，罗维被评为“吉莫尔杰出青年艺术家”——这个奖项颁发予由业界具备权威的人通过提名制而挑选出的五十位国际钢琴新秀。随着在音乐领域的成长，罗维对自己的要求也越来越严格。“无论是音乐、事业还是为人，我都要全方面提升，因为音乐是个人内心和思想最直接的体现。”

Luo Wei was named a recipient of the 2018 Gilmore Young Artist Award which is presented to fifty international emerging young pianists nominated and shortlisted by the experts in related fields. As she grew up in the music industry, Luo Wei became increasingly strict with herself. “I want to improve my music, my career and myself as a person, because music is the most direct expression of one’s heart and mind.”

以钢琴为圆心 A LIFE WITH PIANO AT ITS CORE

2021 年 10 月 16 日，于深湾会六周年会员盛典上，罗维以一首拉威尔的《大圆舞曲》精彩演奏亮相，这次以菁领会荣誉会员的身份出席现场，让她对菁领会往后的活动充满更多想象和期待。“我曾参与过深湾会菁领会的活动，活动不仅限于内容的单独呈现，还结合了艺术等元素，在我看来是与音乐一样的，都是一种极致的追求。”

At the Shenzhen Bay Club Sixth Anniversary Celebration Ceremony held on October 16th 2021, Luo Wei performed Ravel’s La valse to the audience and attended the event as the founder of the Shenzhen Bay Youth Leader Club. The ceremony gave her more imagination and expectation for the events of the youth leader club. “I have participated in the events of Shenzhen Bay Youth Leader Club. They not only had exciting fare, but also involved features of arts and other fields. To me, they have an extreme pursuit just like music.” said by Luo.

作为深湾会菁领会的荣誉会员，罗维保持着谦逊平和的姿态，更乐于分享自身所见的精彩与感受，她描述着古典音乐的丰富、典雅，同时又表示除了人们赋予它的高级评价，古典音乐还有着亲民而接地气的一面，可以从中感受到如同人类的高兴、悲伤、愤怒等情绪。“菁领会汇集了一群优秀的年轻伙伴，我很希望能够有更多机会参与到菁领会的活动当中，以我熟悉的音乐与他们碰撞出更多新鲜的事物。”

As an honorable Member of Shenzhen Bay Youth Leader Club, Luo Wei keeps her humbleness and peace and finds joy in sharing her wonderful life experiences and feelings. She described the richness and grace of classic music while emphasizing the acknowledging and applauding of the art form by people. Classical music also has an intimate and down-to-earth aspect,

in which you can feel happiness, sadness, anger and other emotions, just like human beings. “Shenzhen Bay Youth Leader Club is home to a group of exceptional young partners. I hope I can have more opportunities to be involved in the events of the youth leader club and find new inspirations by collaborating with them with the music I know well.

“从 5 岁到现在，音乐定义了自己的身份，定义了我是谁。如今我用钢琴为自己发声，更想与更多年轻人以平和的心态看待古典音乐，引起精神上的共鸣。”以钢琴为轴的罗维，如今正在探索着更多的可能性，创作诗歌、参与艺术领域的活动等，她表示音乐作为生活的圆心，赋予了自己很多启发，未来将会尝试更多不同的东西。

“From the age of five until now, music has defined my identity, defined who I am. Now I use the piano to speak for myself, and I want to understand the classical music with a peaceful mind and arouse spiritual resonance with more young people.” Luo Wei, who focuses on piano, is now exploring more possibilities. Creating poems and participating in activities in the field of art, she said that music, as the center of her life, has given her a lot of inspiration, and she will try more different things in the future.

追随光，成为光。逐梦时代，开启一趟充满无限可能性的进阶之路。罗维对音乐的极致追求，如同深湾会对品质的极致追求，这一种极致将她与深湾会连结一起，正演绎着意气风发的年青能量。

Our pursuit of excellence will eventually help us become excellent. In the era of chasing your dream, let’s embark on a journey for the betterment of ourselves with infinite opportunities. Luo Wei’s extreme pursuit of music is in line with Shenzhen Bay Club’s striving for quality. The same aspiration brings her and Shenzhen Bay Club together to display the vitality of the younger generation, a high-spirited and courageous group of people.

EMBRACE THE SECOND ACT OF LIFE

臻享人生新璀璨

专访平安臻颐年

An interview with ZHEN LIFE

葆有健康、事业有成、拥有财富是人生之幸事，皆由时间成就。时间，让攀登者抵达未曾抵达的峰顶；时间，亦让未知之途充满变数。

Physical fitness, successful career and having wealth are blessings of life and long-term achievements. Time, let climbers reach the summit they've never reached and also let the unknown way full of variables.

越过山丘，人生之路是否开始下行？年岁渐长，生命之光会否从此暗淡？内在精神的力量，将跨越时间与空间的界限，而生命的厚度与广延，总在崇高与不朽的价值追求中增长。那些坚韧自在的故事，绽放出生命本真的光彩，彷如时间沉默帷幕下的一曲高歌，是回应岁月的最佳答案。

After reaching the peak of our life, are we going downhill? Does aging cast a shadow on our life? Our spiritual force can help us go beyond the limit of time and space, while the pursuit of lofty values makes our life more fulfilling. Those stories championing perseverance prove how great our life can be. It's like singing with a resounding voice against the silently fleeting time, and it's the best way to live our life.

56 岁的金融分析师张燕，为实现年轻时未竟的梦想，从零开始学习芭蕾舞并开启线上直播；60 岁的食品厂工人刘胜，每日坚持锻炼，已练就年轻人艳羡的“八块腹肌”；已过花甲的陈远弟和张长敏携手走过半生，他们不愿做“空巢老人”，要做走遍五湖四海的旅行达人；退役飞行员史克勤，在 72 岁那年又一次比肩蓝天；现年 73 岁的退休工程师袁进达正学习萨克斯，岁月剥夺了他奔跑的权利，他在轮椅之上用音乐奔赴更高境界……

The 56-year-old financial analyst Zhang Yan began to learn ballet from the scratch to chase a dream she missed at a young age, and she is streaming her performance online; the 60-year-old food company employee Liu Sheng has kept an exercise routine and now he has eight abs admired by the youngsters; Chen Yuandi and Zhang Changmin at their sixties have spent half of their life together and they are intended to become travel masters instead of empty-nesters; the retired pilot Shi Keqin flew into the sky again in a plane at the age of 72; the 73-year-old retired engineer Yuan Jinda are trying to learn saxophone now as he is working hard for his music aspiration on the wheelchair as time stops him from running...

这些故事里，有热情、有勇气、有信念与坚持，敢梦敢想的他们用热爱创造健康与快乐，老有可为、从容不迫。逐渐老去是生命的必然，却也是生命的馈赠。直面岁月，以积极的心态拥抱晚年，就能越过层峰、更上层楼。

These stories are full of passion, courage, faith and persistence. Those bold dream-seekers are fighting for fitness and happiness with a passion. They can still accomplish in their old age with confidence. Although getting old is inevitable, it is also the gift of life. Despite the gray hairs, they live their life with a positive attitude so that they can strive for further improvements.

日本倍乐生知一恺迺公司以“自立支援”为照护理念，鼓励并支持长者主动参与

康复训练，让长者尽可能依靠自身力量自立、自主、自信地生活；美国医学科学院国际院士励建安一直以自身行动践行“主动健康”理念，成为首位 70 岁以上完成 7 天 7 个“全马”的中国人。如励建安院士所说，“我们是自己健康的第一责任人”，以“积极老龄化”的心态主动拥抱健康、自主进行健康管理，就能让人生不断“增值”。秉持相同的新时代康养观，平安集团倾力打造匹配峯层人士需求的高端康养品牌——平安臻颐年，助力每一位长者开启更高阶段的灿烂人生。

Benesse Style Care Co.,Ltd, a Japanese elderly caring service provider, adopts “self-support caring” as its nursing care philosophy and encourages the elderly participating in rehabilitation training voluntarily so that they can live independently in confidence; the Foreign Associate of The National Academies of Sciences, Engineering, Medicine Li Jianan has always practices the “proactive healthiness” idea and became the first Chinese who finished seven marathon races in seven days in his seventies. As Mr. Li pointed out we should be our first person responsible for our health, we should strive for physical fitness with a “positive mindset for aging” and manage our personal health independently to keep bringing value to our life. With a new-era nursing care idea, Ping An Insurance (Group) Company of China, Ltd. is working hard to develop the high quality old-age insurance product, ZHEN LIFE to meet the demands of the social elites.

平安臻颐年认为，“真正的康养应当始于 40 岁的主动规划，而不是 70 岁的被动养老”，积极适应身体变化，主动提前规划健康与财富，可以帮助我们优雅从容地老去。倡导“主动健康”“积极老龄化”的康养理念，引入励建安教授带领的国际康复医疗团队，结合日本倍乐生知一恺迺精微照护体系，平安臻颐年致力打造覆盖全生命周期的高端康养社区，以前置化、品质化的康养服务排忧解难生活的后顾之忧。未来，在平安

集团强大的金融、科技、医疗资源支持下，平安臻颐年期待让更多人体验有尊严、有温度、有幸福感的全新康养生活方式，从而自在掌握美好人生。

ZHEN LIFE believes the true health maintenance and asset management starts when a people at his or her forties with a proactive mindset instead of being taken care of at his or her seventies. We should actively cope with the changes happened in our body and make plans for health maintenance and asset management beforehand so that we could age with grace. The insurance provider advocates the age-insurance idea of “proactive healthiness” and “aging with an active attitude”, introduces the international health maintenance team led by professor Li and collaborate with the precision nursing care system provided by Benesse Style Care. ZHEN LIFE is committed to build a high-class nursing community covering all age groups to take good care of its customers' senior living days with forward-looking and high-quality care services. In the future, with strong support of the financial arms, technological and medical resources of Ping An Insurance (Group) Company of China, Ltd., ZHEN LIFE will expect to help more elderly people to live in coziness and happiness with dignity. They will enjoy the great nursing care to live a wonderful life.

生命如光般闪耀，我们常以“夕阳西下”寓意年华老去，象征人生的灿烂即将结束。但“夕阳”并非人生的落幕，当跨越那些沉寂与不安，新的一天仍会来临，新的圆满、新的璀璨、新的荣耀才刚刚开始。在人生的更高处，在生命的更深处，热忱、温暖与爱，不断延续、熠熠生辉。

Our life is like a shining light, and we often use the metaphor of “setting sun” to suggest one has past his prime, but a “setting sun” does not mean the end of life. When we make through those silent and uneasy nights, a new day would still come and our endeavor for new success, brilliance and glory has just begun. When you find a deeper meaning of life at a higher place in your life, your heart will overflow with passion, tenderness and love, shining keenly.

TIBETAN SOUL REFRESHING TRAVEL NOTES

藏地洗心随笔

深湾会会员 薛军先生

Mr. Xue Jun

Shenzhen Bay Club Member

2021 年 8 月 2 日 晴 《冈仁波齐》

August 2nd, 2001, sunny, the movie Paths of the Soul

早上到达首都机场，乘坐 CA8397 航班飞往拉萨，虽然进入机场时健康码出了些问题，但一切还算顺利。下午一点三十分，飞机准时降落拉萨贡嘎机场。上次来西藏是 2009 年，当时从青藏铁路坐火车抵达，一直期待能够再来。感谢肇麟老师组织的“藏地洗心”修学活动，让我既能见到阔别近一年的张老师和艾老师，又能如愿以偿，故地重游。

I came to the Beijing Capital International Airport in the morning and took the flight CA8397 to Lhasa. Apart from a glitch with my health QR code when I was asked to present at the entrance, the flight was uneventful. My flight landed at 1:30 p.m. at the Lhasa Gongga Airport on time. Last time the trip was different as I took a train on the Qinghai-Tibet Railway all the way here in 2009 and I always wanted to visited the land again. Thanks to the "Tibetan Soul Refreshing" learning trip arranged by Mr. Zhaolin, I met Mr. Zhang and Mr. Ai whom I hadn't seen over a year and revisited the once familiar place, so my dream came true.

晚饭后，师傅把大家聚在一起，举行了一个简单的休学启动仪式。

After the dinner, the master asked us to stay together for a simple launch ceremony for the learning trip.

师傅问我：“四天以后，你的期待是什么？”

He asked me what I expected from this four-day journey?

我：“我很焦虑，希望让自己的心静下来。”

I said I had been so anxious and I just wanted to find some peace...

他又问：“怎样才能算心静下来了？”

He asked me another question, "How do you know you find peace?"

我：“不知道。”

I admitted, "I don't know."

师傅说：“先看电影《冈仁波齐》吧。”

He suggested we saw the movie Paths of the Soul first.

我是第一次完整地看完这部电影，令人震撼，特别是在西藏看，更有一种此情此景、身临其境的代入感。

It was the first time for me to watch the film entirely, and it was so impressive especially when I was watching in Tibet. I felt more like I was there.

记得 2009 年第一次入藏，当我看到公路上朝圣的藏民匍匐在地时，心中的第一感觉就是愚昧、可怜、邋遢、贫穷等等，同时庆幸自己生活在优越的社会环境。但是，12 年后的今天，当我看完这部电影，我对朝圣藏民的理解已经完全改变，甚至觉得在他们面前的自己，是那么渺小、无知和庸俗。

When I saw the Tibetans creeping forward on the road on their pilgrimage when I first came here in 2009, my first impression for them was they were ignorant and backward, pitiful, sloppy and poor. I was glad I had lived a superior life. But 12 years later I took an opposite view for them after seeing the film. Now I feel so small, ignorant and tacky before them.

想起这样一句话：朝圣藏民的脸和身体是肮脏的，但他们的心冰清玉洁。

I remembered a saying about them: the Tibetans on their pilgrimage have dirt on their face and body, but their heart is as clean as ice and as pure as jade.

在当今所谓资本为王的现代社会，人们评价一切的标准就是金钱。人类虽已创造了巨大的财富，但大多数人并没有幸福感，只是如机器一样，去追求更多的物质，这也正是社会焦虑的来源。而这些朝圣的藏民，他们的物质生活水平很低，与我们无法相比，但他们并不焦虑，他们的精神世界，极其丰富和崇高。他们历尽千辛万苦去朝圣，只为一个目的——祈福，不仅为自己和家人祈福，更为同村人和芸芸众生祈福，因此，他们发自内心地感到幸福。无论是风雨严寒，还是路途漫漫，对他们而言都不是困难，他们的心中只有圣地拉萨和圣山冈仁波齐；无论男女老幼，无论是分娩还是死亡，只要是在朝圣的路上，一切都是福。

In today's so-called modern society, where capital is power, the standard by which people evaluate everything is money. Human beings have created great wealth, but most of them are not happy. Just like machines, they pursue for more money. This is where social anxiety comes from..... The Tibetans on pilgrimage may have a low living standard which is no match for ours, but they are not anxious as they have a rich and lofty spiritual world. They go through much suffering on their pilgrimage for one purpose: blessing. They not only pray for themselves and their families, but also for their countrymen and all living things. And that's why they are genuinely happy. They fear neither the terrible weather nor the long road. They just want to make it to the holy Lhasa and the holy Kangrinboqe Peak. All the pilgrims, men or women, old or young, in labor or in their last days, take everything as a blessing on the trip.

来自同一个村子的兄弟姐妹，十几个人结伴而行，面对 2500 公里的遥远路途，每天只能完成约 10 公里的路程，面对雪雨风霜、飞沙走石，你从没有看到他们流泪，从没有听到他们想要放弃，当他们开始纵身第一次匍匐向大地的时候，他们的心中满怀幸福和荣耀，而且送他们的乡亲心中，充满的是期待和羡慕，他们在分享这一份幸福。

A dozen of people, brothers and sisters from a same village, walked on the kora together. They could only finish about 10 kilograms a day for the 2,500-kilogram long journey. When facing the harsh weather, they didn't shed tears in sorrow and give up. From the very first time they prostrated in worship, their heart was filled with happiness and honor. Their fellow villagers followed them with their eyes, expecting their return and admiring their luck. They shared the happiness of the pilgrims.

金钱可以给人带来一时的快乐，但无法给你带来一生的幸福。幸福来自信仰，来自内心，如果我们认为朝圣的藏民愚昧，那是因为我们自己愚昧而全然不知。

Money can bring you a moment of happiness, but it can't bring you a lifetime of happiness. Happiness comes from faith, from the heart. If we think the Tibetans on their pilgrimage are ignorant, that's because we think out of ignorance and don't know about it.

PROVIDE SERVICES OF INGENUITY BY GRASPING THE ESSENTIALS OF LIFE

美食是生活的慰藉，也展示着生活的品质与温度。在餐饮服务上，深湾会团队不断提升和完善。9月24日，深湾会团队举办“餐饮我最懂”知识竞赛，组织成员们学习深湾会餐饮专业知识和技能。

Food is the comfort of life, and also shows the quality and temperature of life. In the food and beverage service, Shenzhen Bay Club will continue to improve and try to be the best. On September 24th, Shenzhen Bay Club held a culinary knowledge competition under the theme of “Master of Culinary Arts” and coordinated the employees to learn the professional knowledge and skills of the dining service provided by the club.

紧张刺激的问答及抢答环节，成员们在快速思考中充分了解到饮食方面内容。除此之外，餐饮产品知识、餐饮服务礼仪、餐饮服务场景重现及深湾会特色菜品解说的环节，更提升成员们对深湾会餐饮服务的灵活处理与迅速应变能力，日后能够为深湾会会员提供更暖心和个性化的生活服务。

The intense Q&A and quick question sessions made our staff fully understand the food service while they thought fast. Besides that, the introduction of food and beverage product knowledge and dining service etiquette, the reenactment of dining service and the presentation of Shenzhen Bay Club specialties improved their skills to provide the food service at the club flexibly and their quick response, so they can offer a more heart-warming and individualized service to the club Members in the future.
